Term: 4 | Week 8 | Friday 26th November, 2021

## PRINCIPAL'S MESSAGE

Dear Bethany Families,

This Sunday marks the beginning of the Church's Liturgical Year and the start of **Advent**. This liturgical season consists of four Sundays starting with the Sunday closest to November 30th.

The word advent is derived from the Latin "**adventus**" which means "**coming**" or "**arrival**." During the Roman Empire, the word "**adventus**" referred to the arrival of a person of dignity and great power -- a king or emperor. For Christians, **Advent** is the **time when we prepare** for the threefold coming of Jesus Christ - past, present and future.

In the song **Living Proof** by the musician Bruce Springsteen he sings about the transformational joy of discovering the purity of **LOVE** as he watches the birth of his first child. Any parent who has been present at the nativity of their child can certainly relate to this life-changing event.

**Well now on a summer night, oh in a dusky room  
Come a little piece of the Lord's undying light  
Crying like he swallowed the fiery moon  
In his mother's arms it was all the beauty I could take  
Like the missing words to some prayer that I could  
never make  
Oh, in a world so hard and dirty so fouled and  
confused  
Searching for a little bit of God's mercy  
I found living proof.**

Advent reminds us that **God's living proof of Himself** was not done in an abstract way but through the reality of His incarnation as a fledgling baby in a stable.

As Christians our mission is to bring the message of Christ to others in our daily encounters in real and practical ways inspired of the Good News. As St Francis says, "**Preach the Gospel at all times, and if necessary use words**".

By doing so we touch the heart of the real meaning of the Christmas season.

Until next time,  
Sergio Rosato

## ASSISTANT PRINCIPAL'S MESSAGE

Dear Parents and Carers,

As we draw closer to the end of what has been a very unusual year I can't help but feel like we have only just begun again! The students have settled back into face to face learning and the teachers have been working hard to check in on student well being, relationships and learning needs. Together, they are making the most of every single moment to maximise teaching and learning.

You will have received a phone call from your child's teacher recently to let you know how they have been travelling back in the classroom and to set a goal for them going forward.

We are all very aware that much in our "normal" lives changed during the five months of lockdown and although the teachers are ensuring school is back to as "normal" as possible there are a few things that we just cannot avoid. One challenge that we are faced with is the Semester 2 reports.

Usually at this time of the year, teachers have worked closely with each and every one of their students for close to six months. They would have had personal encounters each and every day with the children in their class. They would have collected assessment data, taken anecdotal notes, made detailed observations and been a part of their students' everyday interactions. All teachers would be highly informed and confident to report on their students' independent learning achievements and effort across all seven Key Learning Areas. Unfortunately, due to remote learning whilst in lockdown, the teachers missed thirteen weeks to collect this valuable information and thus teachers are now limited on what they can professionally report on accurately and precisely.

Therefore the 2021 Semester 2 report will look very different to other years. Teachers will report on Religious Education, English and Mathematics. There will be two comments that describe some aspect of the learning your child has demonstrated throughout the semester for each of these Key Learning Areas. Teachers will describe the Learner Qualities that each child displays and there will be a general comment.

The 2022 Semester 1 reports will go back to normal, be much more extensive and include grades and efforts for all Key Learning Areas.

I thank you in advance for your understanding and support as we continue to navigate these challenges together.

Go gently,

Rebecca Lloyd

Assistant Principal

# RELIGIOUS EDUCATION

Students at Bethany have begun learning about Advent in their Religious Education lessons. This weekend is the first Sunday of Advent, marking the period of preparation before the celebration of Christ's birth on Christmas Day. The following is an overview of current student learning in Religious Education.

Students in **Kindergarten** have been discussing the concept of 'waiting' and the feelings associated with waiting. They have learned that Mary and Joseph waited for the birth of Jesus and explored the scripture from Luke of The Visitation.

**Year 1** students have continued to explore how to develop their relationship with God by identifying how Jesus is their friend. They listed ways that they can live like Jesus and created an Advent calendar based on ways to be kind to others.

Students in **Year 2** have been putting their creative skills to use to portray God's everlasting love in scripture from the Old and New Testaments. This will continue to be explored as students make connections between this concept and the promise fulfilled at Christmas.

As **Year 3** continue to explore their overarching question for the term 'How does prayer help us understand important events in the liturgical year?', they have investigated scripture to extend their learning about prayer and mission as we approach the liturgical seasons of Advent and Christmas.

**Year 4** have begun to explore the scripture used during the season of Advent this liturgical cycle as well as Advent symbols such as the Advent Wreath and the meaning of each candle lit during each of the Sundays in Advent.

Students in **Year 5** are investigating Advent as a time of preparation. Students are reading scripture from the Old and New Testaments as well as looking at symbols used during Advent.

**Year 6** students are looking at the concept of Advent being a time of hope. They are using their learning about Mission to help understand how they can develop their devotion to God during this liturgical season.

# 2021 BETHANY TWILIGHT SWIMMING CARNIVAL

On Monday night we held the Bethany Swimming Carnival. It was a wonderful event which ran seamlessly and all the children had so much fun. A huge thank you to the Bethany staff but especially to Mrs Neilly and Mrs Gibson for all their hard work and preparation to organise the night.

Here are some thoughts about the swimming carnival from some Year 5 students:

By Alexander Holy: I felt excited but nervous at the same time because I didn't know if I was going to win or lose but I also felt excited because I wanted to race the other people. I love swimming! I came first in breaststroke and backstroke and second in freestyle.

By Emma Wallis: I honestly feel nervous every time I go to the swimming carnival because I don't know what is going to happen. I love it every time though, because it is so much fun! I have won for the 1st time and the last time in freestyle and so I am very happy with myself. Everyone else did amazing!

By Isabella Gostlow: I felt quite nervous, although I have done lots of carnivals in my life. I still feel scared before every race but after a few races I feel better and more confident. I love to swim and once I even represented the Parramatta Diocese. I love swimming and it is so much fun!

## End of Year Scholastic Book Fair at Bethany

Thursday 25th November until Thursday 2nd December

Stock up on some cool reading to enjoy during the hot summer holidays.

Unfortunately, due to covid restrictions, parents will not be able to attend the Book Fair but all students will have a nominated **Browsing Day** and **Shopping Day**.

The arrangements for this year's Book Fair at Bethany are as follows.

\* All students will have the opportunity to browse the books on a **Browsing Day** nominated for their year group.

\* Students can write the titles of the books that interest them on their Student Wish List and take this list home to discuss with parents.

\* Parents who want their child to purchase books from their Wish List, can use Scholastic's online payment system to pay the amount they would like them to spend at the Fair. Please note: with this online payment system there is no facility to select a specific book title. [www.scholastic.com.au/payment](http://www.scholastic.com.au/payment)

(Choose Book Fair payments)

\* Parents record the payment receipt number and the amount paid on the Wish List and return it to school in a sealed envelope with the student's name and class.

\* On the **Shopping Day** nominated for their year group, students bring their sealed envelope to the Fair to collect their books. In the event of us running out of popular titles, Scholastic will organise backordered books to arrive at school the following week.

**All payments will need to be made online. Eftpos facilities will not be available.**

**Cash or cheque payments cannot be made.**
